

## August 2025

On 26<sup>th</sup>. August 14 new believers were baptized at a remote goob (village) in Rendille, between Ilaut and Korr. Stephen Silamo, a pastor in Korr, has been visiting here to regularly preach the gospel, the initial contact being that his sister is married here. I know the pictures are not so clear but you can see what had to be done for baptism where there is no water immediately available! Dig a hole, line it with plastic and fill it with just enough water which has been brought from the town in jerry cans. These are people most of whom have had no meaningful contact with the gospel until recently.

This is what Stephen reported: "...I tell you, there is joy in the presence of the angels of God over one sinner who repents" (Luke 15:10). We praise God for adding 14 souls to the body of Christ, this morning! We value your prayers as we win souls for Christ and make disciples! These are the new believers (names given). It was my heart's desire and prayers for long to see my own brothers and sister come to Christ! And today, the Lord Jesus Christ saved two of my own blood and my only sister! To God be the glory!"
